CIRCULAR

This is further to my earlier circular issued on 16th April 2016, pertaining to the use of Online Portal for all new connection single applications for Commercial or Industrial load above 100 Kw.

All these applications must be processed without waiting for physical document submission. For verification of authenticity of the documents and for future reference and record purposes, physical documents are to be collected, by our field staff during the site visit.

This is to be implemented with immediate effect.

Debasish Banerjee
Group Business Head
